MONSTROUS REGIMENT presents **ENSLAVED BY DREAMS**

"Dreaming always, never accomplishing.
Thus women live, too much ashamed of
their dreams."

Inspired by Florence Nightingale, and using startling imagery, dance and rich sound score, **ENSLAVED BY DREAMS** explodes a few myths about the angel of the Crimea.

It challenges assumptions about saintliness, self-sacrifice and the fuel that fires great obsessions. What was it that made a perfectly sensible woman of more than average intelligence take to her bed for 50 years? Perhaps it was the only place she found peace.

With irreverent humour and a passionate affection we celebrate the phenomenon that was Florence Nightingale and *is* every woman who navigates the treacherous waters of desire and duty, ambition and obligation, career and family.

ENSLAVED BY DREAMS will be performed by Sally Cranfield (ex *Hesitate* and *Demonstrate*) and Tamsin Heatley and Celia Gore-Booth (both of whom have worked with *Lumiere and Son*). Devised and directed by Chris Bowler (one of the founder performing members of *Monstrous Regiment*).
